

Raising Capital in the Age of AI & Deep Tech Startup competition

אירועים וקנסים

Raising Capital in the Age of AI brings together leading investors, founders, and industry leaders for an exclusive evening focused on how AI is reshaping fundraising and startup growth.

☒ The event will feature an expert panel, insights from leading VCs (Vertex, Grove, ICI, Deep33, etc.), and a live pitch competition where four selected AI startups will present to a panel of top investors.

☒ The winning startup will receive a flight to New York and the opportunity to participate in an exclusive investor event in November.

☒Early-stage deep tech startup? [APPLY HERE](#) until Oct 15th
